1. Director of Personnel 2621 Curie Hall	21 MAR 58		per [initials]	<p>Attached is retyped draft of your proposed special issue of the Support Bulletin on benefits and allowances. I would appreciate it if this was again gone over by your experts to insure that everything is in order and that in our redrafting of it, sterilizing process, etc., it is still factually correct.</p> <p>We would also like to have your recommendations as to where the 3 charts should be located. Was it intended that 2 of them be included immediately after the introduction? Also, note that on the sheet which lists Assets, following the 3 illustrated programs, we have included a heading "Liabilities." We also made some minor changes in the arrangement of the chart on "Your Financial Requirements". The GEHA programs have been placed at the bottom section and the one on Military Retirement and Social Security have been moved up with the others.</p> <p>25X1A</p> <p>John: Would you please review for introduction accuracy & comment to our Stewart. He has not seen this version yet.</p> <p>25X1A</p>
